

## PARTNERSHIP WITH 1% FOR THE PLANET

Marc & Rose Hospitality proudly partners with 1% For The Planet, a globally-recognized alliance of businesses that understand the necessity of protecting the natural environment. As the network's first-ever hotel management company to join, we are pledging 1% of our annual hotel management revenues to sustainability-focused nonprofit organizations.

As part of our ongoing commitment to environmental responsibility and sustainability, Casa Loma Beach Hotel implements a number of green initiatives on-property, including:

- Partnership with Proud Source Water
- Compostable drink straws
- Hotel-wide compost & recycling education initiatives
- Significant reduction of single-use paper/plastic products
- Partnership with Clean the World
- Water conservation practices
- Trip reduction program for associates
- Recycling of obsolete electronic equipment (via ER2, over 2.5 tons to date)
